

Art Affair on the Square 2008

Urbana, Ohio

For the last several years, Cedar Bog Association has had a booth at Art Affair on the Square to raise awareness about the bog through art.

Many of our members create paintings, quilt squares, bags, and other pieces to sell that are based on Cedar Bog. This can be landscapes of the bog, quilt squares with the flowers that bloom there, bags with our spotted turtles depicted and this year the Catrow prints.
