

Frequently Asked Questions about Cedar Bog

How large was the original Cedar Bog before they started draining the land for farmland?

Cedar Bog was originally 7000 acres. Today we have 426 acres preserved.

Has Cedar Bog always been called Cedar Bog?

The original name for Cedar Bog was Cedar Swamp. The name changed when it became a preserve because people realized that it was not a Swamp. However, Cedar Bog is also a misnomer. Because Cedar Bog is really a fen.
